

MIND MGMT

MIND MGMT is a one versus many, hidden movement game in which the MIND MGMT player races around Zanzibar in an attempt to collect enough new recruits to win. Watch out! If the rogue agents deduce and pinpoint the exact location of MIND MGMT, they win!

The Psychic Espionage Game

Design: Jay Cormier & Sen-Foong Lim | Art: Matt Kindt

Amazing Reviews!

"My favorite hidden movement game of all time"
-Richard Ham, Rahdo Runs Through

"MIND MGMT's system of using logical deduction to follow the hidden player's movements is one of the most interesting and stand-out systems I've seen to date." - Ryan Schoon, Man vs. Meeple

"A stunningly-catching art style and tight gameplay that absolutely works." - Nicholas Leeman, GLHF

Packed with secrets!

MIND MGMT is a game about psychic espionage, and in addition to awesome gameplay, it's also packed with tons of hidden secrets! Some require the included red filter to read, some require a decoder, and some will lead you to a website that might give you new cards that you can print out yourself to include in the game. But you have to find them first!

Are you up for the challenge?
